PCSP Action Plan 2022-2023

The PCSP Manager informed Members that as had been communicated previously the Joint Committee had advised that a 2% budget reduction would be enforced for 2022-2023 budget allocation. This would reduce the budget allocation for Fermanagh and Omagh PCSP by £6,0287.96 from £301,448 to £295,419.04. It was suggested that this reduction be taken from the £36,000 allocated to ASB diversionary activity. The rationale being that a recent grant call had resulted in eight applications of which following assessment two were funded at a value of £3,800. Proposed by Thomas O'Reilly and seconded by Bernie McCrory.

Recommended:

- That the revised PCSP Action Plan 2022-2023 be submitted to the Joint Committee.

RISING:

The Committee rose at 11 am.
