# 'Bridge runners back with a spring in their step

## Runners take to a 3k loop around the New Line and Gola Road in virtual run

BY JODIE CURRAN

MEMBERS of the Maguire's Bridge Running Club (MRC) are back with an extra spring in their step! Together, the club marked their post-Covid return to action with a socially distanced 'virtual' Belfast Marathon relay race last Sunday (20 September). 3

Adam Johnson, MRC chairman explained, "With local races either postponed or cancelled earlier in the year, MRC didn't get the chance to run many races including our relay teams as part of the Belfast Marathon in May.

"We decided once we had the all clear to get together, to mark our return to training and put our own stamp on it and run it around our local stomping ground."

Adam revealed that a "3k loop around the New Line and Gola Road formed the course" while four teams competed across 14 laps to each cover the 26.2 mile marathon distance.

Team coach, Bryony May, who organised the event said, "It was so good to see all the MRC shirts back out competing and I was so proud of each and every runner.

"We had mixed teams with a good range of ability and ages ranging from 16 to over 60. Some of our runners had been training hard over lockdown whilst others have understandably struggled for motivation, but everyone ran their hearts out for their respective teams.

"It was not intended to be a competitive event, but it was clear that there was a bit of excitement about who would cross the line

Runners from left; Anne Fee, Edel Trotter, Oisín May and Aravon McCann

first as the final runners set off."

Emma McEvoy, Club Secretary, advised "This is the first time MRC has met since lockdown, after ensuring we could meet in compliance with the current NI advice and guidelines as well as that of Athletics NI.

"Athletic groups are currently able to have

up to 30 members per training session or activity under current guidelines, and as such, the clubs training sessions on a Tuesday evening at the Commons, Maguire's Bridge have been redesigned taking that into account."

If you are interested in joining the club, please get in touch via [maguirebridgec@gmail.com](mailto:maguirebridgec@gmail.com).
